

## The IBS-Group Vision

IBS shall become the leading supplier of innovative, high quality set, stage and decorative solutions to the global events industry.

IBS Leadership means:

1. Creative, focused and timely responses to Client ideas, concepts, designs and projects
2. Rapid, flexible and high quality procurement and workshop pre-fabrication capabilities
3. Reliable and well organised site delivery, installation and commissioning in close co-operation with event managers/organisers.

IBS Innovation and Quality means:

1. Using IBS deep knowledge and skills to assure excellent and innovative designs, prefabrication, installation and site functionality

Using a systematic and knowledge based quality system for error free work
